Vice President Ken Weeks opened the General Membership meeting of Suffolk Committee for Camping at 7:30 PM. The salute to the flag was led by Ken followed by a moment of silence.

Board members in attendance: Clare Gunning, David Lipman, Sharynn Lipman, Donna O'Shaunessy & Ken Weeks.

Clubs Represented: Pathfinders, Drifters, Cruisers, South Shore, Campers 4 Ever, LIBBA, and LI Wagoneers

A motion to accept the minutes as read made by Kathy Hallock. Seconded by Jamie Amaroso.

Treasurer report reading waived by Mike Murgola. Second by Kathy Hallock.

No nominations from the floor for President. As such Ed O'Shaunessy is duly elected President. There is now a vacancy for Treasurer. Please ask around. We'd like this resolved at the next meeting.

KickOff: Cathedral Pines is still under construction. There is a penalty clause that work has to be done by May 1<sup>st</sup>. There is an appointment to walk through Cathedral Pines with the Parks Dept people next Thursday to see what can be done if the construction is not done. This may not be the same kind of KickOff we've ever had. The dinner, any electric sites, or dump stations are up in the air. We're not sure at this point what fields they would be giving us. A long discussion followed about what needs to be discussed with the county during this meeting.

The new rules in place for the reservation system were discussed. Everyone has made changes in what they have put in for their lottery choices. Legislator Picarello and the Parks Commissioner will be having a meeting about the new rule changes next Wednesday about rolling the changes back. Household numbers, green keys and transients were discussed. All of these problems have been brought to the Legislator and Commissioner's attention. Ken should hear results after their meeting.

Members complained that SCC didn't have a meeting in January to deal with lottery issues.

Commercial: Todd Lavender has sent out letters to all the commercial members asking for their renewals. 3 have come in.

Chapter renewals: They are coming in

Scholarship: Application is online. None have come in.

Park Liaison: Cat Pines-water spigots are in. Electric conduit is in. The Masem  
memorials in B Field have been removed for their protection.

Next meeting: March 6, 2024 at Henrietta Acampora Cottage

A motion to close the meeting was made by Kim Paton. Second by John Groves.
